**Seconds DO Count**

- To provide the highest quality emergency medical & fire protection services 24/7, SETFA needs to open a new fire station to service the southern area of the fire district. This keeps emergency services in Yelm.
- Reopening the Lake Lawrence Fire Station #22 would provide faster emergency medical & fire protection to residents in the Lake Lawrence and Vail Road area.
- Continue to staff Yelm and Rainier stations 24/7.
- Improve ambulance transport services.
- Continue volunteer program.
